I Found a Quilted Heart "Sowing" Guidelines

1. Print the tags below on heavy paper or cardstock.

Do not add any other words or phrases.

2. Leave the heart in a public place where someone you don't know can find it. (Suggestions: parks, libraries, tourists attractions, hiking trails, colleges, etc.)

3. Check the website (www.IFAQH.com) to see if your heart was reported.

Have fun!

Thank you for joining our project and spreading joy around the world one little heart at a time!

Reminder: Do not hand hearts, gift hearts, or give hearts to people. Hearts need to be "found" in a public place.
